Hello Eugene,

We received the following e-mail addressed to Darin French requesting copies of e-mails that may have been sent or received by BLQ BID staff and member of the board.

Additionally, he is also requesting copies of current and past agendas and minutes for the BLQ BID in their "native" electronic format.

What is the legal requirement for providing these records? Is It necessary for the party requesting this information to provide more information in order to properly document this request?

Your help is appreciated as we want to ensure an appropriate response to this inquiry.

Sincerely,

Moises Gomez

Subject: CPRA request (BLQ.2018.03.26.a)

Good morning, Mr. French.

I'd like to take a look at all emails between anyone on the BLQ BID staff or Board and anyone at the listed domains from January 1, 2017 through date of compliance.

1. hollywoodbid.org <<http://hollywoodbid.org>>
2. southpark.la <<http://southpark.la>>
3. downtownla.com <<http://downtownla.com>>
4. mediadistrict.org <<http://mediadistrict.org>>
5. labids.org <<http://labids.org>>
6. historiccore.bid <<http://historiccore.bid>>
7. urbanplaceconsulting.com <<http://urbanplaceconsulting.com>>
8. lacity.org <<http://lacity.org>>
9. lapd.online <<http://lapd.online>>
10. fashiondistrict.org <<http://fashiondistrict.org>>
11. ccala.org <<http://ccala.org>>
12. venicebeachbid.com <<http://venicebeachbid.com>>
13. devine-strategies.com <<http://devine-strategies.com>>

I also need to see all emails and their attachments in the same format between anyone on the BID staff and anyone on the BID Board of Directors for the same time range.

I need to see these emails and their attachments in their native formats as required by CPRA at section 6253.9(a). For emails this means EML, MBOX, or MSG. If you provide emails in one of these formats the attachments will automatically be included in native format as well.

Finally, I would like to see agendas and minutes of the Board and all committees for as far back as you hold them in electronic form. I need to see these in native format as well.

Thanks so much for your help,

Adrian
